Call for Papers

The 27th Iranian Conference on Electrical Engineering (ICEE)
30 April – 2 May 2019
Historic City of Yazd, Yazd University

Conference Chair:
Dr. Mohammad Reza Aref

Chair of Permanent Committee:
Dr. Masoud Shafiei

General Chair:
Dr. Mohammad Taghi Sadeghi

Executive Program Chair:
Dr. Ali Akbar Tadaion

Technical Program Chair:
Dr. Hamid Reza Abutalebi

Yazd University is honored to host the 27th Iranian Conference on Electrical Engineering (ICEE 2019) in co-operation with the permanent secretariat of ICEE. This conference will be held in historic city of Yazd from April 30 to May 2, 2019. The ICEE 2019 is programmed with the aim of extending the technical knowledge to provide a forum for exchanging technical and scientific findings, presenting the latest research results, and encouraging the participation of researchers.

The organizing committee invite all scientists, researchers, experts and enthusiasts in all areas of electrical, computer, and biomedical engineering to submit their most recent scientific achievements with regard to the contexts of conference topics. Papers should be sent via the conference website to the secretariat of ICEE 2019.

Moreover, according to the importance of promoting the academia-industry collaboration, the organizing committee are willing to assign peculiar sessions in which the papers corresponding to the electric industry and economy are more than welcome.

During the conference, workshops and tutorials, exhibitions, panel discussions, industrial and scientific competitions and challenges will be held by intellectuals and experts in academia, industry and related organizations.

Notes for paper submission:
-- Submitted papers should comprise of novel accomplishments in the scope of the conference topics. It also should demonstrate the unpublished research work.
-- All submitted papers must be prepared based on the given template available at the conference website. The papers with any other formats will not be sent for the review process.
-- Papers in both Farsi and English languages are permitted.
-- Each accepted paper requires one full non-student registration for publication and inclusion in the conference proceedings.
-- Presentation of accepted papers at the scheduled conference sessions is mandatory. Those accepted papers which are not presented will be excluded from the conference proceedings.
-- ICEE 2019 is included in the IEEE Conference Publication Program and its accepted English papers are indexed in IEEE Xplore subject to compliance with IEEE quality standard.
-- Any observed plagiarism or fraud research activity of submitted papers at any stage will lead to the exclusion of the paper from the conference proceedings. The corresponding author(s) are responsible for its consequences.

Important Dates:
Submission of full papers:
21 November 2018

Notification of acceptance:
14 February 2019

Permanent ICEE Secretarial Office:
Room # 612, 6th Floor, Aboureyhan Building, Amirkabir University of Technology, Havez Ave., Tehran, Iran
Tel: +98 21 66495433

Secretarial Office:
Electrical Engineering Department, Yazd University, Safayieh, Yazd, Iran
